

PRESS RELEASE:

EIZO Limited Announces new partnership with distributor Northamber PLC

19th November 2018: EIZO Limited, the UK subsidiary of the visual technology company EIZO Corporation, has today announced an exciting new partnership with the well-established trade-only IT distributor Northamber Plc. The agreement which commences mid November 2018 involves the distribution of EIZO's extensive FlexScan range of office monitors and its industry leading ColorEdge graphics monitors.

The EIZO FlexScan range is EIZO's core product. Suited to all areas of business, FlexScan monitors are professional high-end LCDs that make every office future-proof with first-class image quality, outstanding ergonomics and exceptional reliability. Whether the need is within a reception area, a sales desk, trading floor or the CEO's office, the FlexScan range has the perfect product.

EIZO's range of ColorEdge monitors are the creative industry's highest quality monitors for skilled amateurs and creative professionals who only accept the highest standards. With 10 monitors in the range from a 23" sRGB through to a 31" HDR monitor, there is excellent choice for every graphics professional.

With both ranges covered by the industry leading EIZO 5 year warranty, the new channel served by Northamber and their end users will benefit.

Commenting on the agreement, Jenny Hamm, Sales Manager at EIZO Limited said, "We are very excited about this partnership, and are delighted to work with Northamber. EIZO Limited have been enjoying a sustained period of growth, and Northamber will now form part of our strategic initiative to expand our channel and develop greater reach into corporate industries. Using Northamber's expertise and extensive channel relationships we are confident in joint success in bringing EIZO to new SMB and Enterprise markets."
